**12:15 - 12:30 – Discussions and debates over a cup of coffee**

**12:30 - 13:00 Public action in the Europe Square, Vilnius**

With the help of a huge „globe“ we will inform general public about the global aging tendencies.

We will join the global community in celebrating the International Day of Seniors and will draw public attention to the still live stereotypes related to the age and age discrimination all over the world.
